

REMARKS

Within the Notice of Allowance, the Examiner indicated that the application was in condition for allowance except for the presence of claims 22-25 that are directed to a non-elected invention. The Examiner indicated that claims 22-25 would be canceled by Examiner's amendment.

Applicant submits that claims 22-35 are the claims directed to the non-elected invention, and as such, Applicant has canceled claims 22-35 within the present amendment.

Respectfully submitted,

McDonnell Boehnen Hulbert & Berghoff LLP
